# Welcome to *Futures* Nursery.

*Think big for your little one.*

Open 7am –  
7pm

51 weeks a  
year

From 6  
months

## OUR APPROACH

# A safe, happy place to grow.

*Our purpose is to provide high-quality care and education for babies and children, because we know how important the first five years of a child's life truly are.*

01

### **Fresh meals, every day**

Our on-site chef prepares every meal fresh: breakfast, snacks, lunch and tea, using mostly organic ingredients. No sweets; we use dates, honey and banana as natural sweeteners.

02

### **Enrichment, included**

Music, Kinder Garden, Sing & Sign, Sports, Play Phonics and Yoga, all built into the day at no extra cost.

03

### **Stay connected with TeachKloud**

Daily observations, photos, videos, instant messages with key workers, invoices and feedback, all in one parent app.

04

### **A gentle start**

Free settling-in sessions ensure a smooth, confident transition into nursery life for both child and parent.

## OUR ROOMS

# Three rooms. Five years of growing.

Each room is designed for a specific stage of development, with its own pace, its own play, and its own key workers who know your child by name.

ROOM 01

*6 – 16 months*

## Baby Room

A calm, sensory-led space for our youngest learners. Sleep, feed and explore at their own pace, with consistent care from familiar faces.

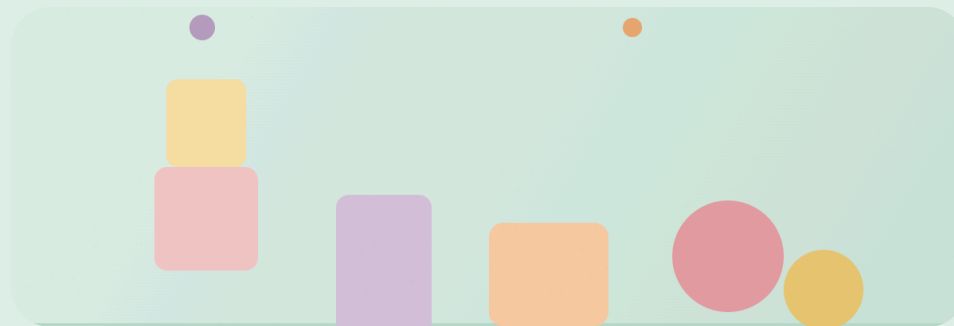

ROOM 02

*16 months – 3 years*

## Toddler Room

Curious, on-the-move and ready for everything. Free-flow play, music, garden time and the first steps of structured learning.

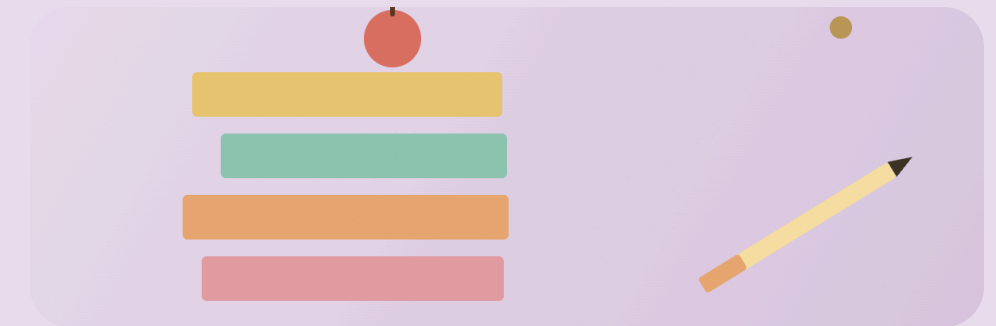

ROOM 03

*3 – 5 years*

## Pre-school

Getting school-ready. Play Phonics, group circle time and confidence-building routines. Children must be fully potty-trained to transition in.
